GARY HEBL ENDORSES STEVE STOCKER FOR ALDERPERSON

SUN PRAIRIE -- Today, State Representative Gary Hebl (D-Sun Prairie) formally endorsed Steve Stocker for Sun Prairie Alderperson, District 1.

Rep. Hebl issued the following statement on his endorsement: "Today I am proud to give my support and my endorsement to Steve Stocker in his race for Sun Prairie City Alderperson. Steve is active in the Sun Prairie community, through local volunteer efforts such as: Park and Recreation Ice Skating Instructor for 30 plus years, Sacred Hearts Parish Council, Sacred Hearts Parish Trustee, Sacred Hearts Religious Education Teacher for 20 plus years, Chair of the Sun Prairie Sesquicentennial, lending his efforts to Sunshine Supper, and of course helping out at Sun Prairie's yearly Sweet Corn Festival.

"Steve has a focused agenda to address Sun Prairie's ongoing needs in the areas of local development, transportation, and housing. He understands the community's needs and best reflects the district's views.

I believe Steve Stocker is the candidate best positioned to be a leader in Sun Prairie and meet the needs of our community's citizens. I hope you will join me in voting for him this Tuesday, April 5th."
